

The Word, Our Inspiration

Verse 1

We search our lives to find the truth.
To feel secure.
In this world called home.
We fail to see the answers in, the Word of God.
The Truth that keeps us whole.

Verse 2

The Gospel of a humble man.
Our Savior.
Who gave us Hope and Love.
Teachings that would set us free, bring unity.
For the glory of God above.

Chorus

The Word is the Light of the World.
Rays of sun and giver of life.
The Word is our Strength, our Shield, our Soul.
A Love felt far and wide.
The Word is our Heritage, our song.
Heaven sent from long ago.
Wisdom for the young and old.
The Word, our inspiration

Verse 3

So thank you Lord for family,
This community,
That's grown so full with Time.
Thank you for Your precious Word, Beloved Son
Because you've helped us shine.

Chorus

The Word is the Light of the World.

Rays of sun and giver of life.

The Word is our Strength, our Shield, our Soul.

A Love felt far and wide.

The Word is our Heritage, our song.

Heaven sent from long ago.

Wisdom for the young and old.

The Word, our inspiration
